My friend was a basketball player. His name is Timofey. He is a kind, funny and good person. He is sixteen years old.

Me and some of my friends was planning on surprising Timofey on his birthday. We bought a cake and balloons. We wanted to wait until he come home from school and then jump out with balloons and throw a cake to his face. We come to his house early and were absolutely ready to ^{transform} express our plan to reality. It was 12pm, November 28th. We were on the positions, we heard his footsteps and we jumped out as fast as we could. Timofey was scared at first, but then we saw a smile on his face and realised, that our surprise went perfect. We all was excited and in very good mood.

Later that day, he invited us to his house, we were eating, laughing, playing and just enjoyed living that day.

I was planning to give my friend a surprise. My friend in past was a popular video-blogger. Her name is Susie. I dont know much about her, because our friendship was a little ^{bit} not serious, but i still want to give her a present. We weren't so close in young school, but she ~~was~~ looked like we can be a friend, so i want to revival our friendship. I want to give her a new phone, or anything like that, so we can take photos of each other and have fun. I was planning my surprise a long time ago, it was about a two ears or even more. When i give her my gift on her birthday, she was about to cry, i think, because of how happy she feeling herself. I was happy too. I was really happy, because i want my gift to bring Susie happy feeling and memories. Her birthday ended very well and anyone, who was here in time, sharing our feelings.

I was planning to give my friend a surprise. My friend is good musician, she interested in guitar playing, her name is Stephanie. Her birthday will be in this month, and I wanted to give her with our friends a mini-concert as a gift. Despite our interest in her talent, she can share some really cool for this sphere things not often because of our difference in ~~know~~ music theory and knowledge. So we decided to ask our ^{other} friends who play instruments to help us. We hoped that this gift will make her happy. And it was successfull! Her eyes sparkled while I was hardly trying to sing, even with small practice in it... and long repetitions in few days before this. I had doubt that this will not be that cool, but her reaction said a lot different things. We spent time in best possible way. Good thing to make ~~go~~ surprises for people you love. I think, that guys from our new "band" are worth to perform in your show.

Dear Joe,

Hi! I went to the city with my friends. We spent a lot of time doing activities and else. I and my friends spent a week here! And yes, it was absolute fun! I'd happily reread all the memories about this trip and go there again!

Best wishes,

Ilya
